Dear Members of the Chicago Jitterbug Club,

All of us at the Chicago South Elks Lodge would like to thank you for your help in our Veterans project. With your financial donation along with the many gifts from your members we will be able to help several of our own Veterans. With your help we were able to help over 150 men and women in our area.

Thank you again for all of your continue help and support throughout the years.

Sincerely,

Bill

William Mier,
Veterans Chairman
